WINTER 2011 NEWSLETTER

SEASONS GREETINGS Quinte's Isle Campers!!

We have come to the end of another fantastic season at *Quinte's Isle Campark*. We hope everyone enjoyed the season and all our latest upgrades.

The campers are gone but we are still working on projects, maintenance and preparing for 2012.

We wish you and your families a very Merry Christmas and Happy New Year!!

In the meantime, we have some information for you.

REMINDER: *Second Deposit/Winter Storage due January 15, 2012 for \$450 plus H.S.T.*

* * *

Quinte Sportsman Boat & RV Show (Quinte Sports Centre) – March 9, 10 & 11th, 2012
www.quintesportsmanshow.com

LEAD TESTING RESULTS

Our lead, pH and alkalinity testing was done on October 25, 2011. The lead range was inbetween 0.00123 to 0.00367mg/L. The Ontario drinking water standard is 10 mcg/L or 0.01 which we are well below. Our pH is in the normal ranges. Alkalinity was 329 mg/L (normal range from 30-500mg/L). Due to these results we do not have to test again for 3 years.

Our regular sampling still continues to be done every 2nd Tuesday.

**MERRY CHRISTMAS AND
HAPPY NEW YEAR !!!**
The Ward Family
